	New Library Roof	\$53.34
	Holloway Street	7.46
	Chapter 90 Bridge Maintenance	446.13

Adjourned at 11:16 P.M.

SPECIAL TOWN MEETING JUNE 6, 1960

1. Authorized selectmen to lay out Riverside Drive as public way.
2. Voted by YES and No ballot with the use of the check list, 112 to 83: "The town adopt Article 2 on the warrant to be known as Article XIII of the Town of Berkley, Massachusetts By-Laws as worded and printed on the warrant for this meeting."

Article 2 on the warrant, "as worded and printed":

To see if the Town will vote to accept the following by-law, to be known as Article 13:

SECTION 1: No building or house trailer to be used as a residence including attached or detached garages, carports, accessory buildings, or porches shall be hereafter erected or placed within fifty-five (55) feet of the centerline of any established, travelled roadway, or within fifteen (15) feet of a property line not bordering such established roadway. Minor projections of said building such as eaves, steps, and outside chimneys shall be excluded from the specified distances.

SECTION 2: No building to be used for business or industrial purposes shall be hereafter erected or placed within seventy-five (75) feet of the centerline of any established, travelled roadway, or within thirty (30) feet of a property line not bordering such established roadway. Small roadside stands of a portable nature shall be excluded from this regulation.

SECTION 3: No building, residential, business, or industrial, or a house trailer to be used as a residence and including any accessory buildings thereof shall be hereafter erected or placed on any lot of land having a frontage on a street or roadway of less than one hundred twenty-five (125) feet and having an area of less than eighteen thousand (18,000) square feet, unless at the time of adoption of this by-law, ownership of such lot was held separately from the adjacent land, or such lot was shown on a plan or described in a deed recorded with the Northern District, Bristol County Registry of Deeds.

SECTION 4: No building or house trailer to be used as a residence shall hereafter be erected, placed, enlarged, reduced, or in the case of a building be removed without

a permit from the Board of Selectmen or their appointed agent upon application thereof, accompanied by a plan or sketch showing the location and dimensions of the proposed building or alteration. Buildings or alterations of less than one hundred (100) square feet of floor area shall be excluded from this regulation.

SECTION 5: This by-law shall be enforced by the Board of Selectmen or their appointed agent, and upon any well founded information as to a violation, the said Board or agent, shall take immediate steps to enforce this by-law in the manner provided by law.

SECTION 6: There shall be a Board of Appeals which shall be the existing Board of Appeals appointed under the subdivision control law and which will have the powers provided for in the General Laws (Chapter 40A, Section 15) including the power to grant variances to this by-law. Any person aggrieved by reason of his inability to obtain a permit from the Board of Selectmen, or from their agent, under the provisions of this by-law, or any officer of board of the Town, or any person aggrieved by any order or decision of the Board of Selectmen or of their agent, in violation of any provision of this by-law may appeal to the Board of Appeals by filing a notice of appeal with the Town Clerk who shall forthwith transmit copies thereof to the Board of Selectmen, or to their said agent and to the Board of Appeals. The Board of Selectmen or agent shall forthwith transmit to the Board of Appeals all documents and papers constituting the record of the case in which the appeal was taken.

(Note: The above was approved by the Attorney General of the Commonwealth, E. J. McCormack, Jr., on November 22, 1960, and was published in the Taunton Daily Gazette on December 2, 3, and 5, 1960.)

SPECIAL TOWN MEETING OCTOBER 24, 1960

1. Authorized the appointment by the moderator of a school planning and building committee to include the school committee and four members one of whom is to be a member of the planning board.

SPECIAL TOWN MEETING DECEMBER 28, 1960

1. Appropriated from available funds in the Aid to Dependent Children account:

Snow Removal and Sanding	\$2,500.00
--------------------------	------------
2. Appropriated from available funds in the Disability Assistance account:

General Relief	400.00
----------------	--------
3. Appropriated from available funds in the Disability Assistance account:

Unpaid 1959 General Relief bill	10.00
(unanimous vote)	

ELECTION MEETINGS

Four election meetings were held during 1960. These were the annual town election in March, the Presidential Primaries in April, the State Primaries in September and the State Election in November. Due to the hurricane there were no lights at the town hall for the September primaries, and appreciation is due those co-operating in a community effort to see that the vote counting went on as scheduled. A generator was furnished by Mr. Herbert Hutchings of the Wirthmore Farm, on a trailer furnished by Mr. Arnold Perry, and was hooked up to the town hall lighting system by Mr. William Hogan, all without cost to the town.

Previously unacknowledged is the co-operation of Mr. Harold Ashley in supplying an overhead lighting system for the voting booths used at elections. This was also furnished without cost to the town.

1960 saw the beginning of a new system of election officials in Berkley. Under state law the moderator, chairman of selectmen and town clerk no longer automatically serve at elections in one precinct towns, and the selectmen appointed the following to serve for a one year term:

Warden	L. Clyde Cummings
Deputy Warden	Ruth E. Ide
Clerk	Blanche Campbell
Deputy Clerk	Nancy Gouveia
Inspectors	Clotilde Blackmore
	Roy Colpitt
	Josephine Makepeace
	Sadie Townley

Assistants

Mary Mitchell
Jeanne Wood

The state election held November 8 saw the largest turnout of voters in the town's history, 760.

Respectfully submitted,

FRANCIS F. G. ANDREWS,

Town Clerk

REPORT OF SELECTMEN FOR 1960

During 1960 the operating costs of the several town departments remained well within their budgets. Some transfers of funds from departmental accounts to other accounts were necessary due to the severe snowstorms coupled with the September hurricane as well as to supplement the General Relief account.

Under the highway program a section of North Main Street reconstruction was completed. Holloway Street reconstruction was completed during the year, and reconstruction of Orchard Street was started.

Many of the dead and diseased elm trees along our town ways were removed and destroyed.

Riverside Drive was laid out by the selectmen as instructed by a vote of the town at a special town meeting held in June 1960. The State Department of Public Works surveyed a section of South Main Street for future reconstruction by the town. Presently \$12,000.00 has been accumulated toward this project.

We recommend the acceptance of Riverside Drive as a public way at the next annual town meeting; \$1,000.00 be made available to continue reconstruction of Orchard Street; \$5,000.00 toward South Main Street reconstruction, and a sum of money for elm tree removal.

The Department of Public Works recommends that \$600.00 be made available as the town's share for the repainting of the Berkley-Dighton Bridge.

At this time, we wish to express our appreciation to all for their excellent cooperation with us in the conduct of the town's business.

EINO H. SILVAN
HAROLD G. ASHLEY
WILLIAM V. HOGAN

Board of Selectmen

REPORT OF CHIEF OF POLICE

To the Board of Selectmen
Town of Berkley

Gentlemen:

As your Chief of Police I submit the following report for the year 1960:

Arrests	3
Summoned to court for Motor Vehicle Violations	3
Auto Accidents (fatal)	2
Auto Accidents (injuries)	15
Auto Accidents (property damage)	13
Breaks and Thefts Investigated	15
Stolen Cars Recovered	3
Miscellaneous Complaints Investigated	122
Car Transfers Filed	1233
Tickets issued for Defective Equipment	131
Pistol Permits Issued	8
Summons Served	9
Dogs Killed by Autos	2
Recommended Suspension of Licenses	16
Recommended Warnings	12
Escaped Persons Returned	2
Missing Persons Located	1

We have assisted the Registry on periodic checkups and Road Watches. Police Officers patrolled the Town on the Holidays and directed traffic during Dog Racing Period.

We are a member of the Taunton Police Radio Network and have three two-way radios and three receivers for communications.

I thank the Selectmen, Police Officers, Firefighters, and all others for their excellent cooperation in carrying out the duties of the department.

Respectfully submitted,

HAROLD G. ASHLEY,

Chief of Police

REPORT OF PLANNING BOARD

The Planning Board wishes to congratulate the townspeople for voting favorably upon what is now Article 13 of the Town By-Laws. A set of high minimum standards has now been established for the future growth of the town.

There were no new subdivisions in 1960 under the meaning of the Subdivision Control Law that had not been processed previously. However several plans of land were submitted to us for study.

Our delegate has represented the town at practically all meetings of the Southeastern Regional Planning District, which organization has been partly instrumental in securing funds for construction planning of a sizeable state-supported institution of higher learning in this region.

We are currently revising the Rules and Regulations Governing the Subdivision of Land in accordance with changes made in state law.

One of our members was appointed to the School Planning and Building Committee, and another serves on the Road Committee.

We have placed an order with a private firm for a large town map, but delivery of same cannot be guaranteed unless enough orders are placed by others at the twenty-five dollar price.

Upon receiving information regarding the existence of a 125 acre tract of land for sale on Route 24, we have relocated the town's sign to this area. This sign advertises land for sale for industrial or commercial use and bears telephone numbers of members of the Industrial Development Commission.

Respectfully submitted,

STUART R. WATERFIELD,

Secretary

REPORT OF INSPECTOR OF SLAUGHTERING

To the Board of Selectmen
Town of Berkley

Gentlemen:

I had five calls for dog bites. There was no slaughtering in the town during 1960. I inspected 46 barns and buildings, also 839 animals.

Respectfully submitted,

HERBERT ASPINALL,

Inspector of Animals and Slaughtering

REPORT OF THE LIBRARY TRUSTEES

This year the Library Trustees voted and had installed six new Fluorescent lights and a new back door. The lights now provide ample lighting for all the book stacks.

This was the fourth year a story hour was conducted by Mrs. Helen Craven.

The State Legislature has passed a bill for State Aid to Libraries. The towns have to meet certain requirements before any aid will be given. This aid will be in addition to any money appropriated by the town.

Many new books were purchased this year for all age groups using the library. We have also made plans to replace our encyclopedias with more up-to-date sets.

Because of the reading habits learned from Mrs. Craven many of the school children use the library although the school has a library of their own.

The Librarian and Trustees invite the townspeople to visit their library.

Respectfully submitted,

RUTH HOWLAND

CORINNE H. MACKER

WALTER CRAVEN

REPORT OF THE CHIEF OF THE FIRE DEPARTMENT

To the Board of Selectmen
Town of Berkley
Gentlemen:

As your Chief of the Fire Department, I submit the following report for the year of 1960:

During the year of 1960 there were a total of 61 fire calls answered by the Fire Department, 8 wells and 2 cellars were pumped out for local townspeople.

The Fire Extinguishers in the school library and churches have been inspected during the past year, monthly fire drills are held during the school season under the supervision of a member of the fire department.

Another tank fire truck has been added to the fire department replacing the old 1934 Dodge tank truck that has served the town for many years, a 1951 Ford F-5 with an 800 gallon water tank was purchased this past fall and is now in operation and ready for use by the department.

During the past year your fire department red net fire call system has been placed under one fire call number. There are 7 fire call phones in the town including one in each fire station and that fire call number is VA. 2-6354, and this number should be dialed only in case of Fire. I would like to call the townspeople's attention that there has been a change in fire permit writing in the town. In the Myricks District, Mr. Merle Stetson on Myricks Street, and in the Berkley District, Mrs. Francis Fournier on Locust Street.

I wish to take this opportunity to thank the residents of the town for their prompt action and cooperation with the Fire Department. Also express my appreciation to the members of the Fire Department, Police Department and all others who have cooperated and assisted in carrying out the duties of this office.

Respectfully submitted,

GARLAND TEMPLETON,

Chief of the Fire Department

CIVIL DEFENSE

To the Board of Selectmen
Town of Berkley

Gentlemen:

As your Director, I submit the following report for the year 1960:

We have installed a two way radio in the Civil Defense Headquarters, to communicate with the State Civil Defense.

A 10 KW Generator has been installed for emergency power for the Grammar School and C.D. operation in case of power failure. We have purchased a Rescue Truck, and a few pieces of equipment for it. Lights are now being mounted on the truck. We have (2) 2½ gallon fire extinguishers, which will be carried in the truck.

A 300 gallon fuel tank for the Generator will be installed as soon as the frost is out of the ground. We have purchased many small items, which are too numerous to mention here.

All of the townspeople are invited to visit the Civil Defense Office in the basement of the school. We need more help to make Civil Defense a good working organization. Please join Civil Defense and help your town.

Respectfully submitted,

RUSSELL A. HASKELL, SR.

Director of Civil Defense

4. Comment

I have little comment to make on the year just passed. I will take this time to announce that I will continue the Monthly visits to Myricks and the Town Hall. The hours will remain the same being the second Tuesday at the Town Hall from 7:30 P.M. to 9:00 P.M. and at the Myricks Building from 7:30 P.M. to 9:00 P.M.

Respectfully submitted,

CHARLES M. ASHLEY,

Collector of Taxes

REPORT OF COMMITTEE ON INSTALLATION OF HEATING SYSTEM

January 31, 1961

Board of Selectmen
Berkley, Mass.

Dear Sirs:

The members of the committee to investigate the installation of a heating system in the Berkley Town Hall submit the following report.

The committee has ascertained that a hot air heating system can be installed in the town hall at a cost not to exceed \$1,000.

The committee feels this would be an advisable expenditure inasmuch as the town has no facilities of equal size available to committees, organizations or other town activities. With the installation of an adequate heating system, the hall would be readily available for any group needing such accommodations.

Respectfully submitted,

CLIFTON HOLMES, Chairman

JOHN BABBITT

HAROLD ASHLEY

RAYMOND CRANMER

ROMAN MELESKY

REPORT OF THE BOARD OF PUBLIC WELFARE

Welfare expenditures in the past few years in the Town of Berkley have shown a slight downward trend and 1960 continued this decline. This is particularly true in the Old Age Assistance account as more people have become eligible for Social Security benefits.

The total cost to the Town in 1960 for Old Age Assistance, Aid to Dependent Children, General Relief, Disability Assistance and Welfare Administration was \$27,659.04, a drop of \$3,280.20 from the \$30,939.24 of Town funds expended in 1959. This does not include federal grants and state aid.

The proposed budget for 1961 is as follows:

Old Age Assistance	\$18,000.00
Aid to Dependent Children	8,000.00
General Relief	4,000.00
Welfare Administration	2,500.00
Disability Assistance	500.00
Medical Assist. to the Aged	2,000.00
	<hr/>
	\$35,000.00

This figure represents an increase in the welfare budget of \$1,500.00. The increase is caused by the addition of Medical Assistance to the Aged to the welfare program and uncertainty as to the number of cases that may be added. There is also an increase of \$1,000.00 in the General Relief account which must be raised and appropriated, but most of which will be returned to the Town by the State Department of Public Welfare.

At the present time there are 19 cases on Old Age Assistance, seven cases (29 recipients) on Aid to Dependent Children, two cases on General Relief and two on Medical Assistance to the Aged. Medical Assistance to the Aged is the new program which started in October 1960 for eligible persons who require nursing home care.

The Town is fortunate that welfare costs have not risen proportionately as many other departments have in the past five years. We hope this continues for 1961.

Respectfully submitted,

Board of Public Welfare

WILLIAM V. HOGAN, Chairman

HAROLD G. ASHLEY

FOR THE YEAR ENDING DECEMBER 31, 1960

1962

1963

1961

Laurence Swift

GENERAL INFORMATION

Birth Certificates

Presentation of a birth certificate is required for entrance to the first grade.

Vaccination

Every child who enters school for the first time must present a certificate of vaccination or a statement from his physician that vaccination is inadvisable.

No-School Information

When weather conditions are such that our buses are unable to run, a no-school notice will be broadcast over Radio Station WSAR, Fall River, and over Radio Station WPEP, Taunton. Parents are urged to use their own judgment about sending their children to school on stormy days. The fact that school is in session does not mean that attendance by all pupils advisable.

Transportation

The law requires that transportation be provided for pupils residing more than two miles from the school attended or more than one mile from the nearest bus stop. Many pupils living at lesser distances along the established routes are transported if the seating capacity of the bus will permit. From time to time it is necessary to refuse transportation to some of those living under the required distance when our buses are filled to capacity with children living at a greater distance.

Entrance Age

First grade registration in September of any year will be limited to those children who are at least six years of age or who will become six years of age on or before the following January first. There will be no exception to this ruling. Registration must be during the first three weeks of school in September.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Town of Berkley:

I herewith submit my sixth annual report. Incorporated herein is the report of the Berkley School Committee, the School Nurse, the Principal, the Music Supervisors and a report of the Dentist.

Personnel

It was necessary to replace two members of our faculty last summer. Mrs. Martha Campbell resigned and was replaced by Mrs. Martina Grover. Mrs. Grover had taught previously in Falmouth and Wilmington. Mrs. Margaret Phillips who taught the fifth grade left to accept a position in Raynham. As we no longer needed two fifth grades Mr. Bradford Richmond a graduate of the University of Massachusetts was hired to teach grade six. Mr. Gerald Fleming, the principal, who formerly taught grade six is now teaching the Opportunity Class as well as carrying on his duties as principal.

Finances

The budget continues to grow as we are sending more people out on a tuition basis. Tuition, transportation and teachers salaries again account for the major increases. The tuition rates at Apponoquet have risen to \$375. per year for pupils in grades seven through nine and \$425. per year for pupils in grades ten through twelve. It was necessary to add one more bus this year to be able to travel to Apponoquet, the Dighton-Rehoboth Regional High School and cover the local school as well. The addition of one more teacher locally accounts for the biggest part of the increase in teachers salaries. Other items in the budget have remained the same or dropped slightly.

School Program

We are now operating a six grade school with 220 pupils. This is about twelve pupils less than we had in eight grades two years ago. We have one room for each grade and a room for the Opportunity Class. We are able to operate a fair program but because of the large numbers in several grades there is not much time for work with individual pupils. We are still able to have both the vocal and instrumental music teachers visit the school each week. We are also aided by educa-

tional T.V. for some classes. With increasing enrollments we will need relief soon to maintain an adequate program.

Building

The School Committee has felt for some time that we were rapidly reaching a crisis as far as room is concerned with our increasing enrollments. The Committee inquired from the Freetown-Lakeville Regional Committee as to the possibility of joining that region so that our tuition problem would be taken care of. The answer came back from Freetown-Lakeville that they could not consider the proposition. We received further word that beginning in 1961 they could not take any more grades on tuition. When this notice was received the Committee immediately asked to have a committee appointed to study the problem and come up with a solution. This committee was appointed and is active now.

The present building as previously stated is now crowded. There are at least three grades that are overcrowded and if rooms were available we could use at least three rooms immediately.

Repairs are constantly being made to our present building but it would take a large appropriation to put it in first class shape. The windows have been replaced in the first grade and need to be replaced in many other rooms. Some doors need replacing and plaster needs to be repaired in some rooms. It is hoped that we can keep repairs up until some solution is turned up.

Conclusion

I would like to thank everyone who has helped our schools in any way over the past year. I want to thank the members of the P.T.A. for their cooperation and hope they will continue their help during the crisis we will undoubtedly face in the next two years.

I wish to commend Mr. Fleming and his faculty for the fine work they are doing with their pupils.

In conclusion may I say to all parents that it is our aim to be of service to you. If you have any questions please feel free to call on us.

Respectfully submitted,

ROBERT T. ROY,

Superintendent of Schools

REPORT OF THE PRINCIPAL

Mr. Robert T. Roy
Superintendent of Schools

Dear Mr. Roy:

I herewith submit my second annual report as principal of Berkley Grammar School.

Enrollment

Enrollment must once again hold primary interest in my report. The opening day enrollment of 213 students showed an eleven percent increase over last year. Since then, however, influx into town has pushed the total above 220. This has presented an extremely high pupil-teacher ratio. The breakdown according to individual classes is as follows: Grade 1—36; Grade 2—32; Grade 3—38; Grade 4—36; Grade 5—26; Grade 6—43; and the Opportunity Class—9. These high enrollment figures present educational problems in all areas along the continuum.

Curriculum

Since we have only one room available for each class, no grouping is possible. This, then, creates a situation whereby we have within certain grades children differing in chronological age 3 and 4 years, and showing an even wider spread in mental age. Grouping within the various classrooms is taking place, allowing for individual differences among pupils in the major subject areas. A typical elementary school program is functioning in most areas.

A major improvement this year has been the addition of a complete new language series in grades two through six. This has replaced the old series which has been used for over twenty years.

Testing

Our testing program, initiated last year, is progressing satisfactorily. All children in the school were given Stanford Achievement tests in April. Group intelligence tests were administered in Grades 1, 3, and 5. The results of these tests were carefully screened and those children showing unusual abilities were given individual Stanford Binet Intelligence Tests. We now have on file a rather complete picture of the abilities and achievements of each of our students.

Opportunity Class

In compliance with Massachusetts statutes, we now have in Berkley, for the first time, a special class, more acceptably called our Opportunity Class. There are nine students enrolled in the class this year; students who were selected on the basis of the above-mentioned testing program. In contrast to the complete load of subject matter carried on in the regular classroom, these pupils are engaged in mastering the essentials of Reading, Arithmetic, Spelling, Penmanship, Handwork and Citizenship.

As suggested by Department of Education supervisors, these children are integrated with their chronological age group as much as possible during the school day. This includes the areas of Art, Music, Lunch, Physical Education, Library, Television, etc.

Extra - Curricular

In a building of this type, fire safety must hold a pre-dominant position in our philosophy. With a class being held in the basement, in proximity to the boiler room, we must be ever mindful of the evacuation of the students in time of need. Our fire evacuation plan has proven successful in that we can empty the building in rapid time with no two classes leaving by the same exit.

Once again a major fire drill was held during Fire Prevention Week with the Berkley Fire Department cooperating by sending all apparatus, thus establishing a truer picture of reality in the minds of the pupils. On an average, we attempt to have at least one fire drill per month.

During the Spring, all students were taken on educational field trips. Due to transportation scheduling at the high schools, it was not possible to take the entire student body on the same day as had been done in the past. Rather, each teacher selected a trip of value to her own class. Grade 1 went to Plymouth and then to Storyland in Whitman; Grades 2 and 3 toured the Wirthmore Research Farm and the Bristol County Agricultural High School Farm; Grades 4 and 5 selected the Science Museum and the U.S.S. Constitution in Boston; and Grade 6 visited the State House and U.S.S. Constitution in Boston. All trips were arranged through the cooperation of the faculty and Mr. Clarence Trenouth.

Because of the basement classroom, it has become necessary to use a section of the unfinished basement room for television. Now, instead of taking the TV set to the rooms, as is recommended, it is necessary for all classes to go to the basement to view the programs. With this change, the unfinished room takes on the appearance of a multi-purpose room in that it is used for library, television, health room, and storage room for old desks.

The instrumental music program has grown rapidly this year with many new students taking advantage of the weekly lessons given by Mr. Lincoln. Vocal music, supervised by Mr. Morrison, continues on a weekly basis and is reported elsewhere in these pages.

A combination May Day-Memorial Day program was held outdoors in front of the building. This is somewhat of a change from tradition, but it allows for compliance with the state law requiring a Memorial Day program. Following this program refreshments were served to the students by the Berkley Women's Club.

Assembly programs have been held at Thanksgiving and Christmas. These programs, produced by the teachers, give each child an opportunity to participate before an audience. The Christmas assembly was followed by parties in the individual classrooms. The funds for these parties were graciously supplied by the Berkley Police Association.

P.T.A.

A vital factor in any elementary school program is a complete understanding between home and school. An excellent method of fostering this understanding is participation in the Parent-Teacher Association. Our P.T.A. has been quite active during the past year under the direction of the following officers: President—James H. Blackmore; Vice-President—Edward G. Canuel; Secretary—Mrs. Edmund Lawlor; Treasurer—E. George Hachey.

The P.T.A. played a prominent role in the formation of the Citizen's Scholarship Foundation of Berkley, Freetown and Lakeville. This foundation awarded college scholarships to two Berkley youths.

Another successful Halloween party was staged, accommodating some 300 children. Money was provided by the P.T.A. to each class for indoor games during the past year which have provided much rainy day activity for the students.

Conclusion

In conclusion, may I mention the untiring efforts of our custodial staff, Mr. Swift and Mr. Wade, in keeping the school neat and clean. Through the cooperation of faculty and students, it has been possible to maintain a neat looking building.

To you, Mr. Roy, and the members of the School Committee, a sincere word of appreciation for your help in building a worthwhile academic program for our students. To the faculty, a heartfelt word of praise for the excellent work they are doing under the most difficult conditions. In addition, many thanks to the parents for their cooperation in helping us maintain our standards.

With this type of cooperative effort, we shall continue to have a school program second to none.

Respectfully submitted,

J. GERALD FLEMING

INSTRUMENTAL MUSIC REPORT

Mr. Robert Roy
Superintendent of Schools
Berkley, Mass.

Dear Mr. Roy:

I herewith submit the annual Instrumental Report for the Berkley Elementary School.

Instrumental music lessons are offered to pupils in grades four, five and six. Each pupil receives one group lesson a week. The various groups range from two to six pupils. The smaller groups meet for thirty minutes and the larger for forty-five minutes.

At present there are twenty students studying instruments.

Because the majority of the students are beginners or in the elementary stages of instrumental playing the aim of the program is to present to the students a strong foundation in the rudiments of music and the basic principles of playing their instruments.

A school band is usually organized in the Spring when the younger players are able to participate and the band performs at the school music festival.

During the year the second and third year pupils are encouraged to play for school and community functions.

Respectfully submitted,

CHARLES H. LINCOLN, JR.

Instrumental Music Supervisor

VOCAL MUSIC REPORT

Mr. Robert T. Roy
Superintendent of Schools

I herewith submit my third annual report as Supervisor of Vocal Music.

The same basic course of study is being followed this year, predicated on the belief that a successful music program must capitalize on children's natural interest in music. This is done by presenting experiences which appeal to the child through the wide range of activities included in the world of music. In this type of program, we are attempting to impart not only the skills necessary to produce music, but also the ability to be selective consumers of music. Specifically, the course of study is planned so that the students will have: (1) the ability to use music as a means of self-expression and communication; (2) an understanding of the musical expressions of others; and (3) an awareness of as much of the science of music as will aid in giving meaning to music as an art.

In the field of public performance, a highly successful spring concert was held, followed later by the traditional May Day observance. On December 22, 1960, the annual Christmas program was presented. This was highlighted by a portrayal of the Nativity Scene by the fifth grade.

Respectfully submitted,

DONALD F. MORRISON,

Supervisor of Vocal Music

REPORT OF THE SCHOOL NURSE

Mr. Robert Roy
Superintendent of Schools
Berkley, Mass.

Dear Mr. Roy:

I hereby submit my eighteenth annual report as school nurse of the Berkley School. The routine school health program has run smoothly with the cooperation of teachers, pupils and parents. Several home visits have been made, resulting in a better understanding between both parents and teachers.

Two cases of ringworm and a few cases of impetigo were detected. The necessary precaution was taken to protect the other pupils. Several cases of chicken pox caused an increase in absenteeism during November and December. Except for these cases, the attendance has been good for the year.

The annual clinics for Diphtheria, Tetanus and Whooping Cough protection were well attended in March, April, and May. Polio clinics were held in May and June when nine children had 1st and 2nd shots and 14 school children were given 4th polio shots. Evening polio clinics were held in August and September when many adults received their first and second shots. Thirty-three took advantage of the combined polio clinic held in Dighton and received their second polio shot. Parents are urged to keep up with booster shots according to this suggested timetable.

After 6 weeks of age get the first of 3 polio shots.

Second shot two to six weeks later.

Third shot seven months after the second shot.

Booster dose of polio vaccine every year thereafter.

Massachusetts Vision Tests and Puretone Hearing Tests were given in all grades. Parents have followed through with treatment in most cases where failure to pass the test existed. Glasses were secured for two pupils through the Taunton Lions Club. This service is greatly appreciated.

The Dental Clinic continues to serve the school children, however, with the limited amount of money available only a small portion of work can be done for a few children. I personally feel more money could be used to good advantage.

Pupils in grades 1, 3, and 5 were given a physical examination by Dr. Alan Poole. Parents of first grade pupils were invited to be present at the examination. Two parents availed themselves of the opportunity to talk with Dr. Poole.

It has been a good year and I wish to thank the teachers, pupils, and parents for their continued interest and cooperation in the school health program.

I would like to thank Dr. Harold Goren for his help in securing glasses through the Taunton Lions Club.

I also appreciate the services of Mr. and Mrs. William Hogan. They did an excellent job in recording polio shots at the evening clinics here and the clinic at Dighton.

Respectfully submitted,

ELLA F. DILLINGHAM, R.N.

REPORT OF THE DENTAL CLINIC

Mr. Robert T. Roy
Superintendent of Schools

This is the annual report of the dental clinic serving the Berkley Elementary School. The term started on March 28, 1960 and ended on October 10, 1960. This is equal to 15 visits to the dental clinic. The total number of operations was 111. Breaking this down into the various services rendered, we accomplished this:

- 53 Extractions of teeth including odontectomies
(surgical removal with sutures)
- 7 Prophylaxes (cleanings)
- 47 Amalgam (silver) fillings
- 4 Silicate (porcelain) fillings

The clinic has had a very successful year in which a great amount of work was accomplished and dental care was rendered to those who may never have had an opportunity of visiting a dentist.

Sincerely yours,

ISRAEL HELFAND, D.D.S.

REPORT OF THE SCHOOL PHYSICIAN

Robert T. Roy
Superintendent of Schools

Dear Sir:

Routine physical examinations showed the students of Berkley are maintaining a commendable health level. Records of the School Health Service may be found in the report of the School Nurse, whose services are outstanding in school health.

I commend the several improvements in and around the school building. The improved lighting, the teachers' room and other utilization of available space are well done. The general cleanliness and fresh paint brightness must exert worthwhile influences on all students and personnel.

I wish to thank the personnel of the Berkley Schools for the fine cooperation of the past year.

Yours very truly,

DR. ALAN M. POOLE.

School Physician
